Dear Sirs:

Pursuant to the obligations of candor and good faith imposed by 37 CFR §1.56, the document listed on the attached PTO/SB/08A and PTO/SB/08B is hereby disclosed. The reference was cited in an examination report from a foreign office, that communication likewise listed and transmitted herewith, which issued in a foreign application having at least a one priority document in common with the instant application. More particularly, the listed reference has been cited by the New Zealand Patent Office in application no. 545384 as indicated.

No representation is intended to be made hereby that the listed reference or otherwise disclosed item establishes, by itself or in combination with other information, a *prima facie* case of unpatentability of any claim of the present case. Furthermore, in-as-much as one or more of the listed references/disclosed items herewith may be of record in the instant application, it is Applicant's intent to pass along the search findings of other offices.

Respectfully submitted,

Todd Griffin

By his attorney,
